Education

B.E. in Software Engineering **Aug 2025 – 2029 (Expected)**

Chitkara University, Rajpura, Punjab • GPA: 3.3/10

Class XII (CBSE) **May 2025**

Government Model Senior Secondary School, Chandigarh • Percentage: 85.8%

Class X (ICSE) **May 2023**

Holy Angels School, Rajpura, Punjab • Percentage: 96.6%

Skills

Programming: C#, C++, Python, Java, SQL

Web Technologies: HTML, CSS, JavaScript

Tools: Git, GitHub, VS Code, LaTeX, Microsoft Office (Word, PowerPoint, Excel)

Core Subjects: Object-Oriented Programming, Database Management Systems

Soft Skills: Problem Solving, Teamwork, Communication, Time Management

Projects

Airbnb-Inspired Property Booking Platform **Feb 2026**

Tech Stack: HTML, CSS, JavaScript (basic)

- Built a responsive property booking web app with listings, search filters, and a booking interface
- Implemented DOM manipulation, UI components, and multi-page navigation using vanilla JavaScript
- Delivered a fully functional front-end application with a clean UI/UX design

Smart Library Management System **Dec 2025**

Tech Stack: Python, OOP, File Handling

- Developed a Python-based library management system to handle book records, member registration, and issue/return tracking
- Implemented Object-Oriented Programming principles with file handling for persistent data storage
- Delivered a fully functional CLI application streamlining library operations and record management

Sales & Business Analytics Dashboard **Sep 2025**

Tech Stack: MySQL (Joins, Aggregations), Microsoft Excel (Pivot Tables, Charts)

- Analyzed a superstore sales dataset from Kaggle to extract meaningful business insights using MySQL
- Performed complex joins and aggregations, and built interactive Pivot Tables and Charts in Excel
- Delivered actionable visual reports from raw data, demonstrating end-to-end data analysis skills

Certifications

- SQL Certification – HackerRank
- Excel Essential Training – Microsoft 365

Achievements

- Solved 100+ DSA problems on LeetCode and GeeksforGeeks
- Completed LaTeX Essentials: Practical Training for Academic and Technical Writing workshop
- Participated in Value Addition Course Kick Start to Coding 4.0 at Chitkara University

Extracurriculars

- Founder, Peer Coding Circle – Conduct weekly DSA practice sessions with 10+ students
- Participated in national-level online hackathon; built frontend web prototype in team setting
- Created public GitHub repository with structured notes and practice problems for SQL
